

# Community Speedwatch Live Statistics

## Willand CSW Group

The numbers shown below are LIVE stats from the database as at Friday 21st October 2022 14:05:55 from results collected by Speedwatch groups in the Devon & Cornwall Police Police Force area.

### During the last 30 days

- 1650 speeding offence records were handled automatically and passed on to the local Police for further action. 1371 Warning Letters were sent as a result, and another 23 cases are waiting to be processed.
- The maximum speed recorded in a 20mph zone was 39 mph, but 120 records of excessive speeding (more than 50% above the allowed limit) were flagged up for special attention.
- The maximum speed recorded in a 30mph zone was 63 mph, but 146 records of excessive speeding (more than 50% above the allowed limit) were flagged up for special attention.
- The maximum speed recorded in a 40mph zone was 67 mph, but 2 records of excessive speeding (more than 50% above the allowed limit) were flagged up for special attention.
- 50 vehicles were recorded as multiple offenders; details of these vehicles are passed on to the Road Traffic Policing Departments where they will be kept for 12 months. Dependent on the number or severity of the details special attention could include a visit from the local Neighbourhood Policing Team... etc.
- During this time, groups have recorded 49(3.0%) vehicles with no tax and 38(2.3%) vehicles with no MOT, those driving without an MOT are committing a criminal offence and those without TAX could face a court appearance and a fine.
- Within this time, groups have also recorded 4(0.2%) vehicles being driven after being declared on Statutory Off Road Notice's(SORN) showing that there are a percentage of the population who do not care for the safety and security of other road users.

### During the last year

- 22646 speeding offence records were handled automatically and passed on to the local Police for further action. 21852 Warning Letters were sent as a result.
- Within this year, groups have recorded 55(0.2%) vehicles being driven after being declared on Statutory Off Road Notice's(SORN) showing that there are a percentage of the population who do not care for the safety and security of other road users.
- During this year, groups have recorded 439(1.9%) vehicles with no tax and 380(1.7%) vehicles with no MOT, those driving without an MOT are committing a criminal offence and those without TAX could face a court appearance and a fine. The vehicles without TAX have been reported to DVLA for their action.

Community Speedwatch aim to educate drivers about the dangers of speeding and the nuisance it causes in the community where they offend but that does not exclude the possibility of direct Police intervention if the message is not fully understood.

**These statistics are only for the groups in the Devon & Cornwall Police Police Force Area.**
